

# plant a bloomer

growing, from the heart

Giving, with thought,  
Growing, with love.

Our products are so much more than just cards or gifts. As well as a way to send wishes of love and support, they are also an experience to share. Whether its handcrafted tokens to plant or festive cards to craft, a Plant a Bloomer gift is one that keeps giving. Our unique, thoughtfully created products will not only delight and surprise but ultimately, we hope, create opportunities for you to share and grow.

With warmest wishes

## Paper that blossoms, Handcrafted in our London studio.

We create our own special seed paper in our London studio, handcrafted from recycled materials and embedded with natural inclusions such as petals or sparkling mica.

The paper is produced in small batches of around ten sheets per run and air dried. Each sheet is packed with UK native wildflower seeds, selected for their good germination rates. Seed types can vary slightly from batch to batch, please get in touch for details of our current mix.

## WOODLAND GREETINGS

Forest creatures that grow

*Embedded with sparkling mica*

WFGS Squirrel

WFGR Robin

WFGO Owl

A stunning set of 6 greeting cards each featuring a sparkling forest creature in a woodland scene. Each card comes with a detachable, plantable woodland creature. Delicately lasercut from our unique seed paper, the animals are embedded with gold and silver mica flakes and wildflower seeds.

When 'planted' the paper breaks down into the soil — and the seeds germinate to produce seedlings! Certain to appeal to any nature or animal lover, these unique greetings not only look stunning but make a gift which will keep giving for months to come.

Size: 148 x 210 folded (A5), Instructions on reverse of card.  
Printed on recycled board.
